Congratulations on your news and thank you for your interest in the facilities on offer here at BEST WESTERN Livermead Cliff Hotel. We hope that you find the information provides some help to you in making this important decision on the venue for this part of your special day, we are ideally suited for the smaller wedding parties with our lovely position right on the waters edge. This I am sure is an exciting time for you both, with many decisions. On that note should you have a date in mind, I do urge you to check availability sooner rather than later.

Being Part of Rew Hotels allows our wedding couples to take advantage of our Vintage Rolls Royce fleet and preferential hotel rates. There is also a complimentary White Silver Shadow Rolls Royce available or alternatively the Honeymoon Suite (Weddings must be over 50 during the day for a sit down meal with Drinks Package & over 75 in the Evening with a Finger Buffet); this is on a first come first served basis; so early booking is recommended, if this is an option you would like to take up. We are licensed for Civil Wedding Ceremonies in our Garden Gazibo outside or in the Hotel, please ask for full details.

Our brand new Riviera Suite is capable of holding weddings of up to 200 people, a gazebo at the water's edge, a stunning roof terrace and there is continual updating and decorating of the hotel.

Should you wish to come and view the hotel or have any questions, please feel free to phone and make an appointment to see one of our wedding co-ordinators.

We look forward to the opportunity to share your special day and wish you both a long and happy marriage.

Yours sincerely
